

# Andalus International School of Qur'an & AI — Nonprofit Roadmap (Morocco)

Status: IN FORMATION — Target: association status (utilité publique) before opening. Date: 2025-11-01

## Pros & Cons of Nonprofit (Association) in Morocco

Pros	Cons
Eligible for grants/donations; public trust; potential fiscal advantages as a simple user trust, no investments	No dividends or simple user trust, no investments; governance/reporting obligations
Easier NEASC narrative on mission/oversight	Harder to raise equity; less founder control vs. company

## Step-by-Step (High Level)

- Draft statutes (mission, asset lock, governance).
- Constitute founders’ meeting; minutes; board list; ID copies; address proof.
- File declaration at local authority; get provisional receipt.
- Receive final receipt (~60 days). Open bank account; obtain fiscal IDs.
- Apply for utilité publique recognition (optional) with SGG dossier.
- Set up accounting, payroll registrations, and annual compliance.
