

# Andalus International School of Qur'an & AI

---

Online Bilingual (Arabic/English) Islamic School · Cambridge Primary (Grades 1–5) · Qur'an-centric

## Curriculum Map – Cambridge Primary & Islamic Studies (Grades 1–5)

- Qur'an & Tafseer
  - Daily Qur'an memorisation with age-appropriate targets.
  - Tajwīd: makhārij, ṣifāt, rules of nūn sākinah and mīm sākinah, basic madd rules.
  - Tafseer lessons using Tafseer al-Qurtubi (adapted passages) as the curricular spine.
  - Adab of Qur'an, intention, and applying āyāt to daily life.
- Fiqh
  - Fiqh of worship and daily life (ṭahāra, ṣalāh, fasting, manners, simple mu'āmalāt).
  - Gradual introduction to uṣūl al-fiqh (sources of law, evidences) in upper primary.
  - Introduction to qawā'id fiqhiyya (legal maxims) as appropriate to age.
  - Comparative madhhab awareness within Sunni orthodoxy (age-appropriate).
- Hadith
  - Memorisation of short aḥādīth and adhkār on creed, worship, and adab.
  - Thematic units (honesty, mercy, patience, ṣalāh, family, online conduct).
  - Simple concepts from uṣūl al-ḥadīth and rijāl in Grades 4–5.
- Arabic Language
  - Qur'anic and fuṣḥā Arabic reading and listening.
  - Vocabulary from Qur'an and hadith plus everyday topics.
  - Writing: from copywork and sentences to short paragraphs and summaries.
  - Grammar: nouns/verbs, sentence structure, verb patterns, basic morphology and simple balāgha in upper grades.
- Cambridge Primary (English-medium)
  - English – reading, writing, speaking and listening per Cambridge Primary English.
  - Mathematics – number, operations, geometry, measures, data handling.
  - Science – biology, chemistry, and physics concepts through hands-on inquiry.

- Computing – digital literacy, basic coding, safe and responsible technology use.
- Global Perspectives – community, cultures, geography, and simple history projects.

## 2. Grade 1 Overview

- Qur'an & Tafseer
  - Memorisation focus: short sūrahs in Juz 'Amma.
  - Tajwīd: correct makhārij for basic letters, simple rules of nūn/mīm sākinah.
  - Tafseer themes: Allah's names, creation, gratitude, basic creed.
- Fiqh
  - Cleanliness and simple wudhū'.
  - Basic ṣalāh positions and simple daily adab (home, online, masjid).
- Hadith
  - Short aḥādīth on manners and belief (truthfulness, kindness, Allah sees us).
- Arabic
  - Arabic alphabet recognition and correct letter formation.
  - Reading simple words and phrases with support.
  - Oral practice: greetings, family, classroom vocabulary.
- Cambridge Primary (Stage 1)
  - English: phonics, early decoding, simple sentences.
  - Mathematics: counting, addition/subtraction within 20, shapes.
  - Science: senses, animals, plants, weather (simple investigations).
  - Computing: basic device use, mouse/keyboard skills, online safety rules.
  - Global Perspectives: self, family, classroom community.

## 3. Grade 2 Overview

- Qur'an & Tafseer
  - Continue Juz 'Amma and selected sūrahs from Juz Tabāarak.
  - Stories of prophets and key moral lessons.
- Fiqh
  - Details of wudhū' and simple conditions of ṣalāh.
  - Masjid adab and adab of food and speech.
- Hadith
  - Aḥādīth on ṣalāh, respect for parents, honesty, cooperation.

- Arabic
  - Reading short sentences with understanding.
  - Basic grammar: noun vs verb, simple nominal and verbal sentences.
  - Writing short supported sentences.
- Cambridge Primary (Stage 2)
  - English: short stories, sequencing, descriptive language.
  - Mathematics: larger numbers, early multiplication ideas, time and money.
  - Science: materials, living things, simple experiments.
  - Computing: drag-and-drop coding blocks, saving and opening work.
  - Global Perspectives: local community and simple map work.

#### 4. Grade 3 Overview

- Qur'an & Tafseer
  - Completion of Juz Tabārah; begin selected earlier ajzā'.
  - Themes: taqwā, shukr, honesty, accountability.
- Fiqh
  - Ṣalāh more fully (pillars, conditions, common mistakes).
  - Intro to fasting (basic rules and adab).
  - Simple zakāh concepts (helping those in need).
- Hadith
  - Collections on ṣalāh, truthfulness, helping others.
  - Vocabulary: ṣaḥābī; awareness that narrations come through named people.
- Arabic
  - Reading short stories and Qur'anic passages with support.
  - Grammar: plurals, masculine/feminine, simple verb conjugations.
  - Writing controlled paragraphs (description and short narrative).
- Cambridge Primary (Stage 3)
  - English: paragraph writing, basic planning and editing.
  - Mathematics: multiplication/division, fractions, word problems.
  - Science: forces, light, simple life cycles.
  - Computing: creating simple presentations, continued block coding.
  - Global Perspectives: community projects and environmental themes.

## 5. Grade 4 Overview

- Qur'an & Tafseer
  - New ajzā' with focus on social rules and ethics.
  - Pupils summarise tafseer points in their own words (Arabic/English mix).
- Fiqh
  - Worship in more depth; introduction to basic mu'āmalāt.
  - Simple introduction to uṣūl al-fiqh (Qur'an, Sunnah, ijmā', qiyās).
- Hadith
  - Thematic units: belief, worship, social relations and rights of others.
  - Intro to narrator reliability and why scholars check reports.
- Arabic
  - Reading longer texts and short adapted classical passages.
  - Grammar: more verb patterns, connected speech, pronouns, adjective agreement.
  - Writing: short essays and tafseer summaries.
- Cambridge Primary (Stage 4)
  - English: multi-paragraph writing and summarising texts.
  - Mathematics: multi-step problems, decimals, further fractions.
  - Science: electricity, sound, habitats, deeper investigations.
  - Computing: simple research projects and safe use of online tools.
  - Global Perspectives: world communities and simple historical case studies.

## 6. Grade 5 Overview

- Qur'an & Tafseer
  - Ongoing memorisation with focus on family, society and law-related passages.
  - Structured note-taking from adapted Tafseer al-Qurtubi to prepare for lower secondary.
- Fiqh
  - Selected topics from family law and community life (age-appropriate).
  - More qawā'id fiqhiyya to show how rulings apply in many cases.
- Hadith
  - Thematic reading: akhlāq, leadership, responsibility and social justice in the Sunnah.
  - Pupils group aḥādīth by topic and understand that some narrations are stronger than others (simple level).

- Arabic
  - Reading and discussing short authentic texts (simplified).
  - Grammar: verb tenses, connected text, simple rhetorical devices.
  - Writing: summaries, letters and short reflections on tafseer topics.
- Cambridge Primary (Stage 5)
  - English: essay writing, argument and reports.
  - Mathematics: more complex fractions/decimals, percentages, problem-solving.
  - Science: more formal investigations, data collection and reporting.
  - Computing: basic data handling and introductory programming logic.
  - Global Perspectives: project-based units on current issues and Muslim contributions to civilisation.
