

Andalus International School of Qur'an & AI

Tuition and Fees (2026-2027, Grades 1 to 5)

Annual tuition is \$4,500 per student and is all-inclusive for live instruction, Islamic studies, and online subscriptions used in lessons. Families who pay the full year at enrollment receive a \$250 discount.

Payment option	Amount (USD)	Notes
Pay in full	\$4,250	One payment at enrollment. Saves \$250 from the \$4,500 annual tuition.
Two-payment plan	\$2,250 + \$2,250	First payment at enrollment; second payment due January 22, 2027.

Two-payment plan policy

The first \$2,250 payment confirms enrollment. The second \$2,250 payment is due January 22, 2027, before the second half of the academic year. If the second payment is not received by the due date, class access may be paused until the account is current. Families who anticipate a payment difficulty should contact the school before the due date.
